Emily Lee 9:45

Parts six, seven, and eight

Field and bleachers near Hancock Golf Course, Northeast corner May 28, 2020

Part six

30.2996° -97.7228°

two unfired clay bricks

- 1. These were bound together when they were wet and now they've dried
- 2. It's supposed to rain tonight

Part seven

30.2996° -97.7228°

steel, fuzz

- 1. Rationing
- 2. Reaching
- 3. And the bleachers
- 4. Sleep

.....

Part eight

30.2996° -97.7228°

biodegradable dough, golf

- 1. I lusted over these reoccurring visions of red balls everywhere
- 2. How when she came across this red ball in Grand Central it wasn't that she saw something but that she was witnessing something
- 3. A nervous constellation of clues that will, in time, disintegrate
- 4. Golf is one of two sports that has ever been played on the Moon who of course is also a golfball and is also nauseated by it

5.	The	most red	these	can
be	e is p	ink
